

## Cheers!

19

A fine tingly glass of sparkling wine tastes much too good to reserve it exclusively for particular reasons. The delicious easiness of a well cooled bottle of sparkling water gives a special touch to every ever so inconspicuous moment. Every moment can grow to a peculiar occasion – it's in your hands. There are endless reasons to clink glasses or do you do this only on holidays?

#### Heuholzer Dachsteiger Acolon dry

Acolon compounds the rustic of Dornfelder	0,1 ltr.	2,90
with the fire of Lemberger	0,2 ltr.	5,50

bottle 0,75 ltr. 19,80

Acolon ages pretty early, reaches high colour intensity and remarkable specific gravities of the must. Beside fine fruit aroma the wines offer a good structure and tallness, but mostly only a delicate note of tanning agent. Partly the development is effected in barrique barrel. Depending on style of development the wines harmonise to meat dishes, from not too heavy to vigorous.
